Please Note: Rates are valid per the service specification listed above and are based on equipment availability. Unless stated otherwise, you are responsible for packing all items into cartons, trunks, suitcases or plastic crates and wrapping furniture and large items. Normal working hours are Mon-Fri, 9am-5pm. U Crate & Baggage services include curbside delivery and shared container services include delivery into a first floor residence. Unless specified above, rates do not include: handling of large items (such as; but not limited to, Piano's, safes etc), storage, demurrage, GST, quarantine fees or Customs inspection / security charges, parking related charges, emergency / fuel surcharges, tolls, customs duties or taxes, or any charges related to difficult access at residence. You must be at the destination prior to your shipment arriving. Shipment must be paid in full before shipping. We accept checks by fax or mail & wire transfers. If you need to use a credit card we will charge a 5% handling fee. If you are using a U Crate or delivering your shipment to a terminal or our office, or if you use any of our equipment including but not limited to hand trucks, loading ramps etc, this is done at your own risk & you the shipper agrees under no circumstances to hold EuroUSA or its subcontractors and terminal operators liable for any injury or damage however caused. Container truckers can break down, get lost or run late. Shipping lines can change schedules. Dates and times are only estimated and EuroUSA cannot be held responsible for any delays. In the event of any loss or damage arising from the fault or neglect of EuroUSA & liability of EuroUSA, will be limited to the lesser value of US\$0.60/lb or US\$500 per pallet or crate. In the event that the U Crate is not returned to us within 7 days or payment for the entire shipment is not received by EuroUSA within 10 days of EuroUSA invoice or I incur some extra charges due to container or equipment rental, storage, demurrage, I authorize EuroUSA to charge my credit card to settle my account, subject to a 5% handling fee. If at any time my personal check is returned by the bank I authorize EuroUSA to charge my credit card for all charges subject to a 10% handling fee. Whilst EuroUSA will always endeavor to deliver the U Crate to your curbside at the destination, Customs or other government or commercial establishment might need to open the U Crate and or deliver items "loose" to your destination due to reasons beyond our control.

I have read and agree to the above contract and the enclosed terms & conditions.
